

# SANDWICH YOUTH SOCCER REFEREE POLICIES

1. We schedule fairly. We go by the number of games that you actually ref, not the number of times you are on the schedule. If there are any questions, please see a Referee Coordinator for clarification.
2. Show up to your game at least 20 minutes before scheduled game time.
3. You must sign-in to get your shirt and whistle if needed. Make sure you see the Referee Coordinators to get your game slip.
4. If you are licensed, you must show us a valid USSF ID card to confirm your license. Until you show us a card, you will not get the license pay of \$15; you will get the regular \$10 rate. If you showed us your license last year, you will need to show us one this year. Any questions, please see us.
5. The schedule will be posted on the website on or by Wednesday. If you need to cancel your assignment, send us an email NO LATER THAN FRIDAY. Failure to do so may jeopardize your chances in getting a game later in the season.
6. Check the website: [www.sandwichsoccer.org/sys](http://www.sandwichsoccer.org/sys) often for updates.
7. Bring Watches, even though there is a blow horn. Also, try to bring your own whistle.
8. No sandals or bare feet; cleats or shoes are required while reffing.
9. NO CELL PHONES! Even for use as a watch, will not be allowed. If you are caught using a cell phone, you may not be allowed to ref again.
10. You don't need to keep score, only during the World Cup.

If you have questions with any of these policies, please do not hesitate to see any of the Referee Coordinators.
